Dear Sir or Madam,

I am writing today in support for Mr. Ronald Rossetti who is founder and executive director of International Alliance for Mental Health based in Hampstead, New Hampshire. Ron Rossetti and I have been friends for over 40 years in which time I have seen Ron develop a solid professional and family life. He founded an internationally respected education seminar company and raised a wonderful family while working diligently to be a pioneer in the world of medical education.

Ron believes in the principles and mission of his charity and the potential to improve the quality of life for many. I support him wholly on his commitment and vision for The International Alliance for Mental Health and will continue to support this commendable cause. Please give him and his organization consideration in your selection of deserving award recipients.

Sincerely,

A handwritten signature in cursive script that reads "Christopher Mahoney". The signature is written in dark ink and is positioned above the typed name.
